Secure Computer Recycling and Disposal (SCRD) declares the items listed below have undergone data sanitisation in accordance with the following international standards: NIST-SP-800-88, DOD5220.22-M [DOD-3 PASS WIPE] / DOD5220.22-M-ECE [DOD-7 PASS WIPE]. SCR D utilises specialised software under licence from BLANCCO in compliance with the instructions for use, and where storage media has failed to complete a successful erasure, or the client has requested, the media has been destroyed via mechanical shredding.

ICT EQUIPMENT

| No | PRODUCT NAME | HARD DRIVE SERIAL | HARD DRIVE CAPACITY | DELETION METHOD | STATUS |
|----|--------------|-------------------|---------------------|-----------------|-----------|
